This Year 1982 "Wow"

Expressions change . . . personalities change . . . the seasons change . . . and just as inevitably, a college changes from great to greater . . . good to best . . . the changing face of K.S.U. Time marches on, and the academic year of 1981-82 has become history. The year 1981-1982 — what was it like? In many instances it was like no other year. COMPLEX . . . To say the least. There were the unexplainable incidents. There were the places and spaces. But most of all there were the faces — many faces.

As you turn the pages of the THOROBRED, you will again be in the places and spaces and with the faces you knew in 1981-1982. Enjoy!

Desegregation Background

The Kentucky Council on Higher Education (CHE) was assigned, by Governor John Y. Brown, Jr., to prepare a desegregation plan for the Universities of the Commonwealth in response to a court order from the U.S. Office of Education, Office of Civil Rights (OCR) which cited Kentucky in violation of the 1964 Civil Rights Act — still containing vestiges of the segregated system that existed before the Supreme Court outlawed "separate-but-equal" institutions in 1954.
Kentucky was given 60 days to devise and submit a plan to correct the situation. Items cited were: (1) racial identifiability of undergraduate students; (2) racial identifiability of faculty and staffs; and (3) failure to enhance Kentucky State University. This court action stems from a 10-year-old lawsuit filed by the NAACP legal defense fund to require the federal government to enforce the 1964 Civil Rights Act.

Desegregation Chronology

January 15, 1981. In a news conference, Harry M. Snyder, Executive Director of the CHE, accepted responsibility, on behalf of the CHE, for devising a plan and explained that, "Although we do disagree with some of the findings — and agree with others — we will progress with the development of the plan . . ." A committee was established and an outline was to be presented at the February 10 Council meeting.

January 26. In a related concern, the Kentucky Commission on Human Rights released a report showing underrepresentation in employment of both blacks and women in Kentucky higher education.

February 2. Governor Brown visited KSU, toured the campus and met with University officials for some three hours. He expressed concern for the future direction of KSU.

February 10. The Council meeting was the first airing of merger suggestions amid heated discussions and reminders that the Kentucky desegregation plan was due at OCR on March 16. The CHE rejected a staff proposal to ask OCR to reconsider its order based upon updated statistics and errors in the 1978-79 evaluation of Kentucky and agreed to submit a letter announcing the State's intention to develop a plan and to request a 30-day extension.

February 24. A subcommittee of the Interim Joint Committee on Appropriations and Revenue, a 5-member legislative panel, while discussing budget cuts in higher education, took a vote on a suggestion that KSU be closed.

March 5. KSU students marched to the Capitol in protest of the closing concepts reported in the news media.

March 12. William Cox, CHE member, proposed a resolution, which passed, that the CHE staff study the possible reorganization of the entire university system. He called for merger of KSU and UK, Merger of Morehead and Eastern Kentucky University, and merger of Murray and Western Kentucky University.

March 16. Snyder hand delivered a plan (No. 1) outlining general goals and timetables to the OCR in Atlanta. On May 5, Snyder released the federal evaluation of this plan in which William H. Thomas, regional OCR Director, indicated that more details were needed.

April 27. The KSU enhancement proposal (No. 2) was submitted to the CHE staff for distribution. The proposal called for facilities improvement and upgrading program offerings.

May 4-10. Frankfort Chamber of Commerce sponsored Community Awareness Week titled "KSU and Frankfort, Too."

June 4. Morton Holbrook, council member, submitted a proposal (No. 3) to the Minority Affairs Committee to merge KSU, University of Louisville and Jefferson Community College. The Committee voted to send the proposal to OCR without a vote of the full Council, to generate a reaction.

June 11. Office of Civil Rights declined to review Holbrook proposal stating the agency does not give advisory opinions.

June 15. Regents' Executive Committee endorsed KSU enhancement proposal which was subsequently approved by the full Board.

June 25. William McCann, CHE Chairman, proposed (No. 4) to Minority Affairs Committee that KSU's mission focus on State government service and that land grant function be redirected to support government services and adult education. He also emphasized changing the administration to address racial identifiability.

June 25. Minority Affairs Committee voted to ask for more time on KSU enhancement issue.

June 30. KSU Regents establish enhancement committee to develop another plan.

July 9. CHE shelved Cox proposal to study feasibility of state-wide mergers.

August 12. Raymond Burse, CHE member, proposed (No. 5) that KSU remain a small college and focus on talented students and public affairs.

August 13. KSU Regents' plan (No. 6) for enhancement is submitted containing 10 new academic programs and the new college.

November 11. Robert Bell, CHE member proposed (No. 7) that KSU be converted to UK Community College.

November 30. State Senator Georgia Powers secures signatures of 103 members of the Kentucky General Assembly urging retention of KSU as a free-standing four-year institution. The petition was presented to the CHE at its December 3 meeting.

November 30. Alternative plan (No. 8) was distributed to CHE members.

December 2. President Butts, with reservations, endorses plan No. 8.

December 3. KSU Regents endorse, with reservations, plan No. 8

Plan No. 8 Summary

On December 3, the Kentucky Council on Higher Education unanimously voted approval of plan No. 8 — "Consolidated Proposal" — to enhance Kentucky State University. This plan was originally drafted by Council members William McCann, Raymond Burse and Donna Maloney and was revised in part during the December 3rd meeting.

The Consolidated Proposal recognizes the need for and supports the concept that KSU remain a small, liberal arts, public service oriented institution. In summary, it addresses two basic points: expanding public service and reducing costs.

Specifics include restructuring land grant function to support the public service and liberal arts missions and strengthening public affairs, the only graduate level program to be offered at KSU, to become a model program. KSU is to begin negotiations concerning the development of a graduate center in association with the University of Kentucky, Eastern Kentucky University and the University of Louisville.

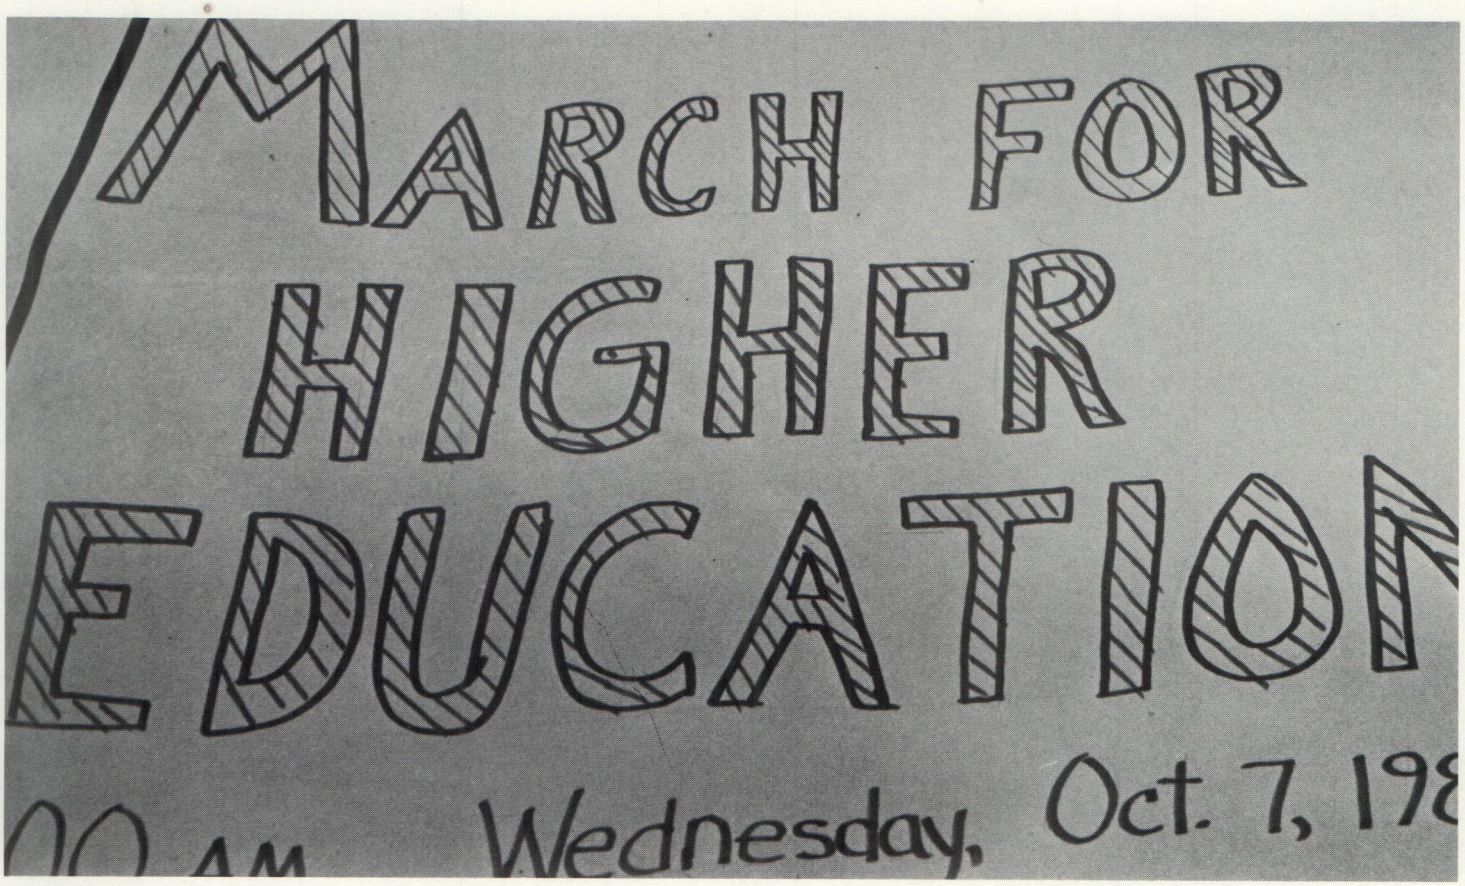

Cost reduction measures include a thorough evaluation of existing academic programs and a review of faculty and staff positions for restructuring and cutbacks. All nonacademic programs and activities are to be evaluated and reorganized or eliminated to effect further cost savings. A faculty/staff relocation program is to be established to assist in the relocation of KSU faculty members displaced as a result of program eliminations.

A facilities inventory is to be conducted immediately, noting necessary improvements consistent with the redefined mission or transfers of property to the state for other uses.

The plan also outlines a series of specific cost-reduction measures for consideration by the Board.

Copies of the plan may be obtained from the KSU Alumni Affairs Office or reviewed at Blazer Library.

We extend our sincere appreciation to all the supporters of KSU for remaining steadfast throughout these deliberations.

KENTUCKY STATE SONG

Dear old Kentucky State College, you're the world to me.
Dear old Kentucky State College, you will always be,
For you give us sunshine
Everywhere we roam.
I'm always thinking of you when the shadows round me creep,
I'm always thinking of you when I lay me down to sleep.
Dear old Kentucky State College, I'm in love with you!

Dear old Kentucky State College, for you I will pray,
Dear old Kentucky State College, I love you more each day.
I'm always thinking of you when the moon is shining bright,
I think of you each morning and I dream of you at night,
Dear old Kentucky State College, I'm in love with you!

LIFT EVERY VOICE AND SING

Words by James Weldon Johnson
Music by J. Rosamond Johnson

Lift ev'ry voice and sing
Till earth and heaven ring.
Ring with the harmonies of liberty;
Let our rejoicing rise
High as the list'ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the
Dark dark past has taught us.
Sing a song full of the hope that the
Present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

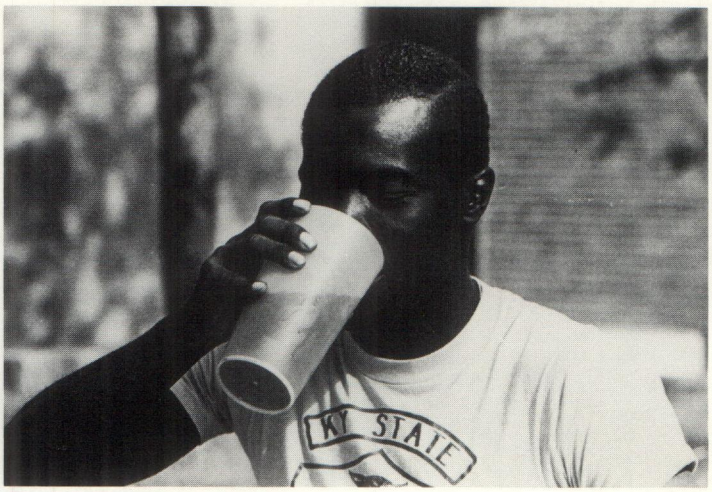

Stony the road we trod,
Bitter the chast'ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat
Have not our weary feet
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered.
We have come, treading our path thro' the blood of the
slaughtered,
Out from the gloomy past,
Till now we stand at last
Where the white gleam of our bright star is cast.

The Founders of Alpha Phi Alpha

Alpha Phi Alpha has not always been the great fraternity that it is today. Its Founders, however, were always great men, possessed of keen vision, undaunted courage, indomitable fortitude, and unparallaled tenacity. These ingredients of character, together with hard and untiring work, have produced what is regarded today as a living and driving force in fraternal life.

There were seven men who founded Alpha Phi Alpha at the turn of the century (1906). Each of these Men was destined to play a highly significant role in the formative years of this great fraternity.

The members of Alpha Phi Alpha have decreed that the Founders be designated as JEWELS of the fraternity.

The Founders of Alpha Phi Alpha are as follows:

JEWEL HENRY ARTHUR CALLIS*
JEWEL CHARLES HENRY CHAPMAN*
JEWEL EUGENE KINCKLE JONES*
JEWEL GEORGE BIDDLE KELLY*
JEWEL NATHANIEL ALLISON MURRAY*
JEWEL ROBERT HAROLD OGLE*

Yearbook Staff

Natalie L. Thompson, Editor

To the K.S.U. family:

At the beginning of this school year, August,1981, this was thought to be the best yearbook in our school's history. But after encountering an enormous amount of misfortune and delay, what you have received is only a fair product, laid out by a few dedicated individuals.

With your help a good yearbook can be produced, but if you neglect to participate, a good book is hard to produce. You all must remember, you are what makes the book, not just the yearbook staff alone.

As the majority of us left for a summer away from K.S.U., it was the dedication and determination of your editor and a few others who labored weeks into the long hot humid summer, to produce the 1981-82 THOROBRED.

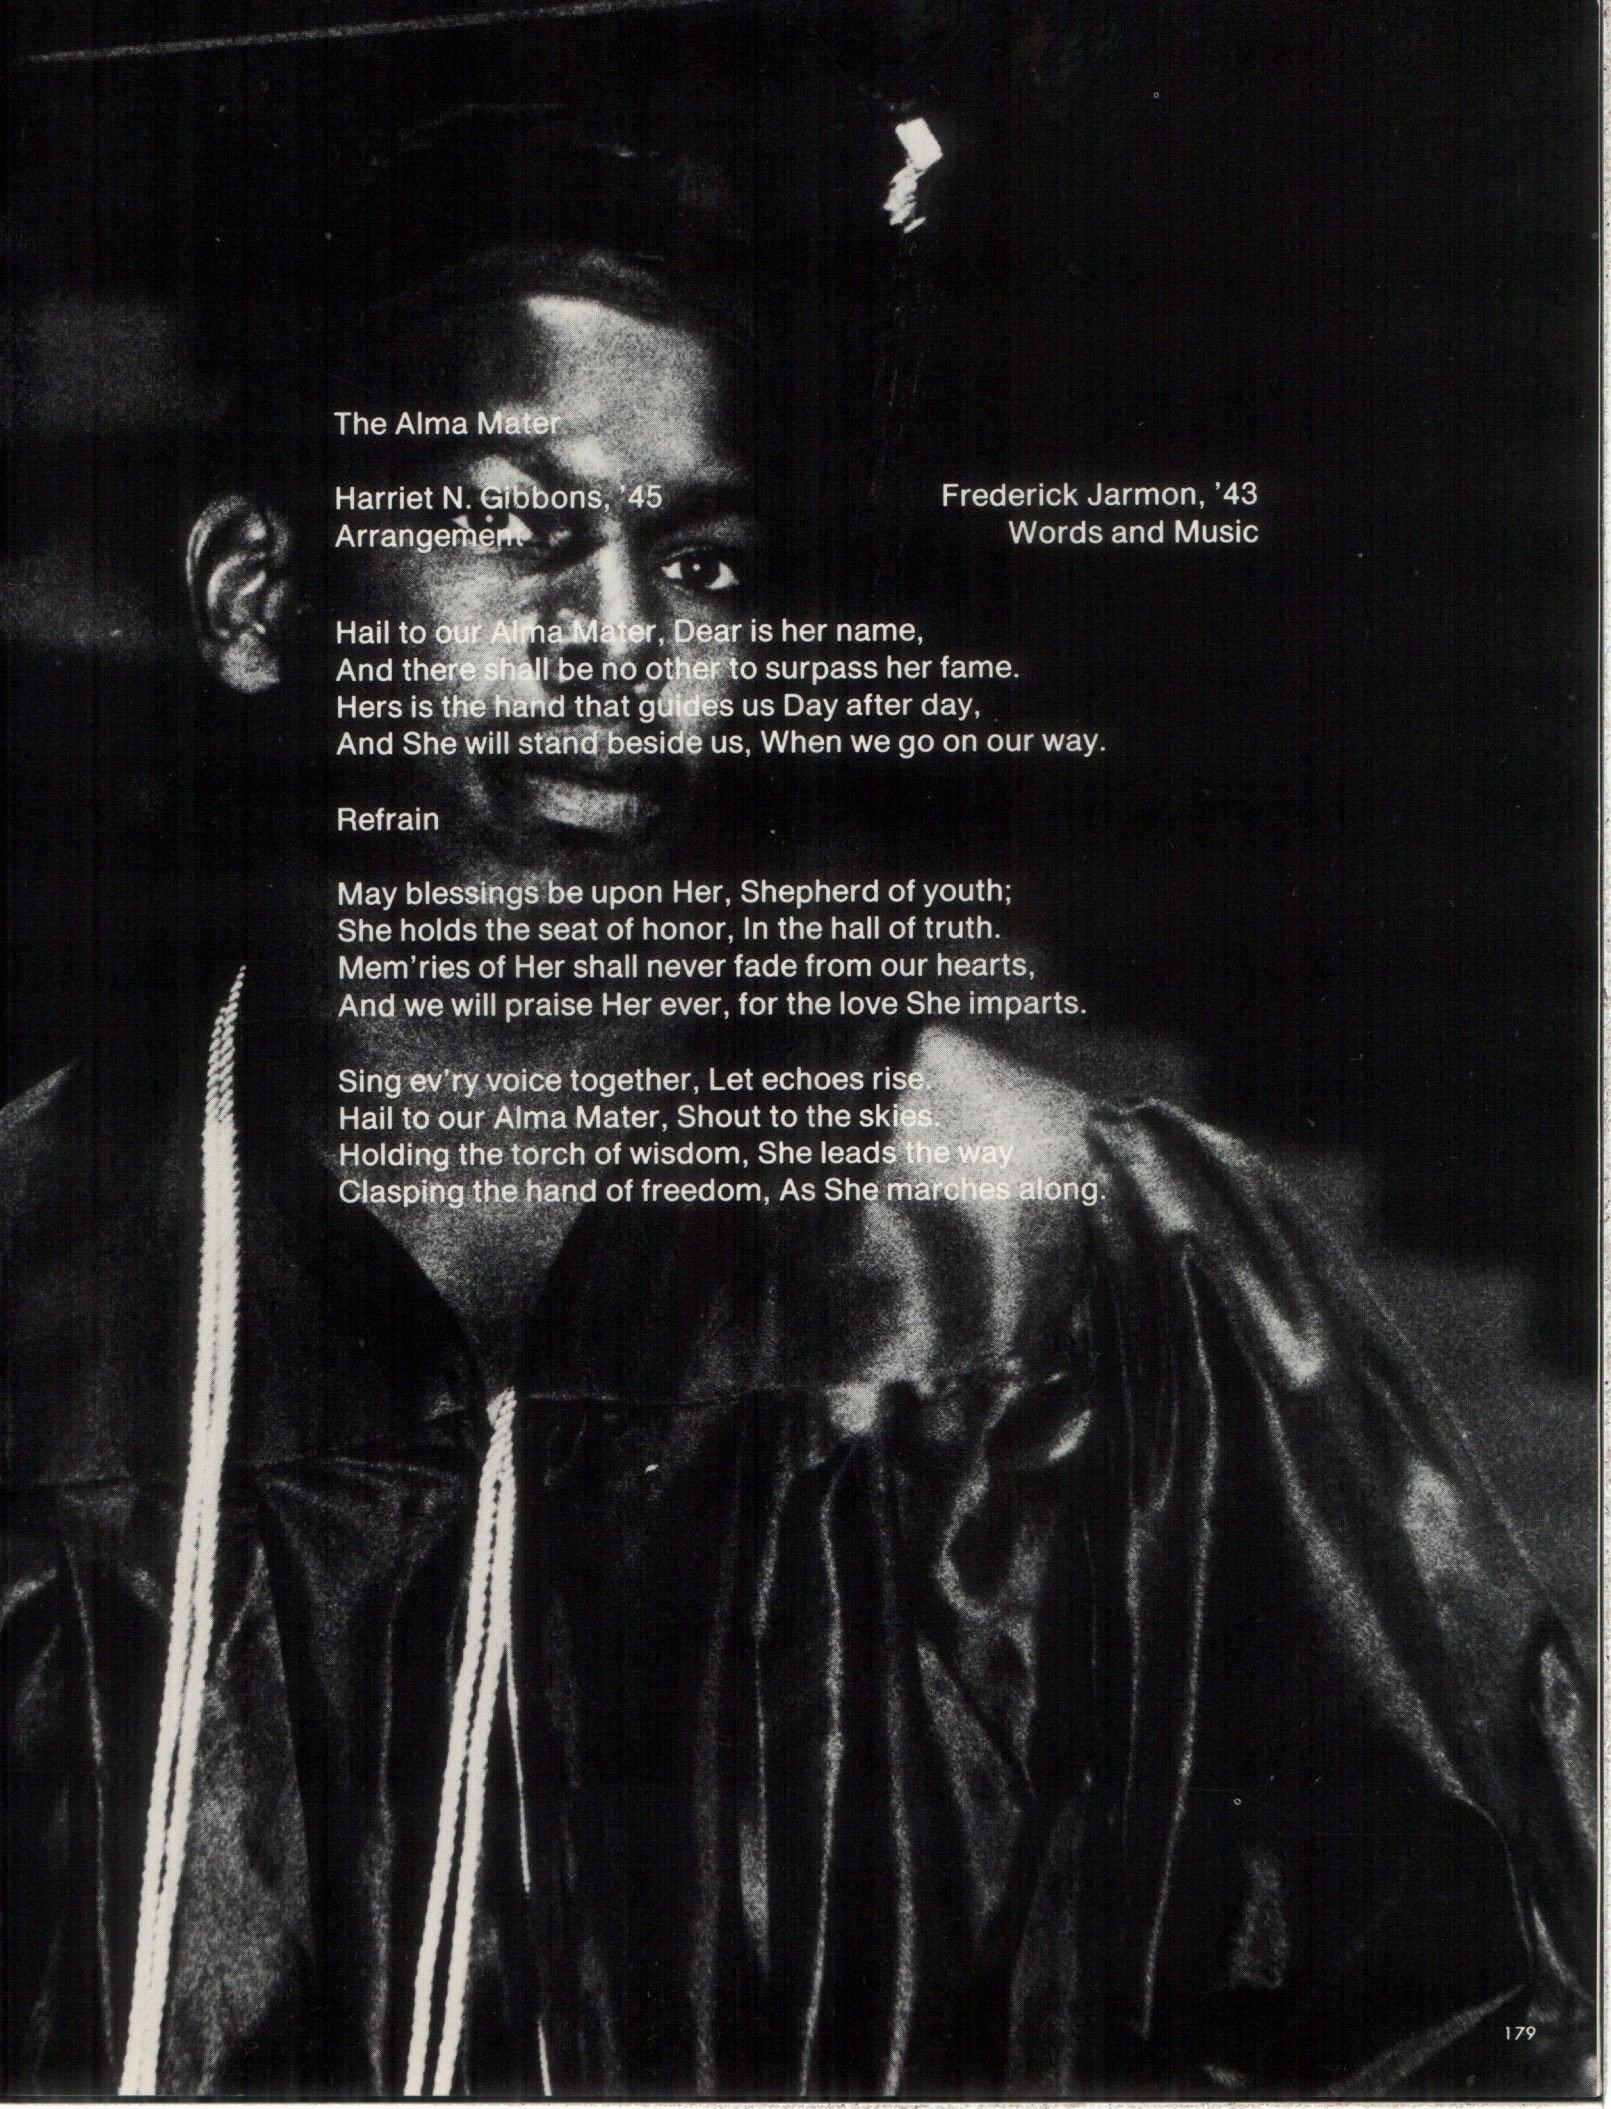

In appreciation to Ms. Loretta Hardge for her encouragement, faith and dedication I offer my grateful acknowledgement. To Tony Broddie, Crystal Combs-Lee and Glenda Dorsey, who were always there when I needed them, my thanks, and a special thanks goes to Bill Fourth. I thank you all for your drive, determination and dedication which led to the completion of the 1981-82 THOROBRED.

Thank you very much.

The Alma Mater

Harriet N. Gibbons, '45
Arrangement

Frederick Jarmon, '43
Words and Music

Hail to our Alma Mater, Dear is her name,
And there shall be no other to surpass her fame.
Hers is the hand that guides us Day after day,
And She will stand beside us, When we go on our way.

Refrain

May blessings be upon Her, Shepherd of youth;
She holds the seat of honor, In the hall of truth.
Mem'ries of Her shall never fade from our hearts,
And we will praise Her ever, for the love She imparts.

Sing ev'ry voice together, Let echoes rise.
Hail to our Alma Mater, Shout to the skies.
Holding the torch of wisdom, She leads the way
Clasping the hand of freedom, As She marches along.
